

THE FOUNDATION FOR WOMEN'S FINANCIAL EDUCATION

» presents «

The 2018 **UPSTATE WOMEN** in **FINANCE** Event

A Professional Development Event for Women about Women

A professional development and networking event for Buffalo, Rochester and Syracuse area financial services professionals

KEYNOTE SPEAKER: CAROLE LAIBLE, CEO, DOMINI IMPACT INVESTMENTS

With over 20 years of impact investing experience, Carole is responsible for the overall research and mutual funds operations of Domini Impact Investments—an SEC-registered investment adviser with over \$2 billion in assets under management that specializes exclusively in responsible investing. Carole also serves as a founding member of Sustainability Accounting Standards Board™ (SASB)™ Investor Advisory Group, engaging with companies on the use of SASB metrics. SASB is an independent 501(c)3 organization that issues industry-specific standards for use in disclosing material sustainability information in filings to the Securities and Exchange Commission.

PRESENTER: MARIA KAST, INDEPENDENT CERTIFIED COACH, TEACHER, TRAINER & SPEAKER WITH THE JOHN MAXWELL TEAM

As founder and owner of CORE Leadership, Maria offers personal and professional development training, individual and group coaching, key note speaking and group think tanks. She utilizes the knowledge from her John Maxwell Certification, results of her entrepreneurial experience and her practice of Conscious Leadership skills to help leaders and their people deepen and elevate their leadership potential.

PRESENTER: SHERRI McARDLE, MASTER CERTIFIED COACH SHERRI McARDLE, LLC, CEO

With more than 22 years of experience leading the largest leadership and strategy development firm in Rochester, Sherri now commits her time to serving clients and supporting leaders who want to "lead for good." Mission driven, Sherri McArdle LLC, is dedicated to leaders whose energy and influence invigorate team members and enable outstanding organizational performance. Her firm serves a diverse group of clients with leadership and strategy development, executive coaching, strengthening team relationships and performance, and sensitive resolutions.
